SGT University's dental college ranked among India's top 10

Shivam Tiwari

Gurugram: The Faculty of Dental Sciences at SGT University has been ranked among India's Top 10 Dental Colleges for 2026 by Higher Education Review magazine, earning national recognition for its excellence in dental education, advanced clinical services, quality patient care, research, and innovation.

The prestigious recognition reflects the institution's consistent commitment to academic excellence and its continuous efforts to

strengthen dental education through modern teaching practices, clinical expertise, and research-driven learning.

Building on this achievement, the Faculty of Dental Sciences is further advancing its vision of establishing itself as a Centre of Excellence in Dentistry. The institution aims to

integrate emerging technologies such as Artificial Intelligence (AI) into diagnosis and treatment planning, expand the scope of digital dentistry, and promote the use of 3D printing in both clinical practice and academic training.

SGT University launches Swadhyaya Mandal with inaugural lecture on Viksit Bharat

Gurugram: SGT University inaugurated its Swadhyaya Mandal (Study Circle) with an insightful lecture on the theme "Our Contribution in Viksit Bharat" on July 6.

The initiative aims to promote intellectual discourse, meaningful dialogue, and active engagement with issues of national importance among students and academicians. The inaugural lecture was delivered by Shri Ramlal Ji, Akhil Bharatiya Sampark Pramukh, Rashtriya Swayamsevak Sangh who highlighted the indispensable role of every citizen in shaping a developed India. Stressing that nation-building is a collective responsibility, he called upon individuals to contribute through professional excellence, social harmony, and a nation-first approach.

He encouraged the audience to reflect on how everyday actions, ethical conduct, and commitment to society can

collectively contribute to building a stronger, self-reliant, and developed Bharat. The programme was graced by the presence of Padma Bhushan Shri Ram Bahadur Rai Ji, Chancellor, SGT University, who underscored the importance of establishing the Swadhyaya Mandal as a vibrant platform for intellectual engagement, continuous learning, and constructive dialogue. He noted that higher education institutions must cultivate a culture of reading, critical inquiry, and informed discussions to prepare socially responsible citizens. He also described Shri Ramlal Ji's address as the inaugural lecture of the newly established forum. The event was attended by Shri Manmohan Singh Chawla, Managing Trustee, SGT University; Raj Kumar Bhatia, Member, Governing Body, SGT University; Prof. (Dr.) J. B. Rao, Vice-Chancellor, SGT University, along with senior university officials, faculty members, and students.

Dental faculty launches rural literacy campaign for Viksit Bharat

Gurugram: In the modern era, for any civilisation to achieve sustainable growth and prosperity, it is essential to remain rooted in humanity's core values while building upon its timeless strengths in their purest form.

As India moves towards the vision of Viksit Bharat, it is taking transformative strides that deserve recognition not only nationally but also on the global stage. With this spirit of nation-building, the Faculty of Dental Sciences at SGT University has launched a unique community outreach initiative titled "Rural Knowledge Literacy Campaign – Foundation of Viksit Bharat."

The programme, started on 10th of July, aims to promote public awareness on everyday issues and practical solutions through meaningful interactions with rural communities. As part of the campaign, faculty members are visiting villages to engage with children, women, senior citizens, farmers, service-sector workers, and prospective students on topics of

social relevance. The initiative focuses on enhancing awareness through direct dialogue and community participation. Leading the initiative, Dr. Sumit Singh Phukela, Professor and Dean, Faculty of Dental Sciences, elaborated on the significance of the campaign. He informed that the programme commenced on July 10, and faculty teams have already visited four villages—Lohat, Mankrola, Kota, and Tej Nagar—located in the Farrukhnagar and Gurugram tehsils of Gurugram district.

Dental students learn stress management at SGT wellness workshop

Gurugram: Reinforcing the importance of emotional well-being alongside academic excellence, the Faculty of Dental Sciences at SGT University organised a wellness workshop titled "Beyond the Drill: Wellness Workshop for Dental Professionals" on July 18.

The initiative aimed to help dental students manage stress, build resilience, and maintain a healthy balance between academic responsibilities and personal well-being. The interactive session was conducted by Dr. Bhanupriya Rathore, Psychologist and Assistant

Professor, Department of Psychology, SGT University. Designed specifically for undergraduate dental students, the workshop provided a supportive environment where participants could openly discuss the pressures of academic life and prepare themselves for upcoming professional examinations.

Through engaging activities and practical discussions, students were introduced to effective strategies for managing stress, strengthening emotional resilience, and approaching challenging situations.

Akshay wins national recognition at Pharma Anveshan Bharat 2026

SGT University proudly congratulates Akshay Sharma for securing Second Prize at the National Level Pharma Anveshan Bharat 2026, organised by the Pharmacy Council of India. His achievement reflects the university's commitment to academic excellence, research, and innovation, inspiring students to pursue excellence in pharmaceutical sciences.

National conclave focuses on school mental health

Gurugram: Emphasising the urgent need to prioritise students' emotional and psychological well-being, educationists, mental health professionals, policymakers, and school leaders came together at the School Mental Health Conclave 2026, jointly organised by SGT University, Expression India, and Moolchand Hospital at the India Habitat Centre, New Delhi.

Held under the theme "Perception to Performance: Schools as Catalysts of Change," the day-

long conclave focused on strengthening mental health systems within educational institutions and integrating emotional well-being into mainstream school education.

The event brought together senior officials from the Ministry of Education, psychologists, academicians, counsellors, and school administrators to deliberate on practical strategies for creating supportive and psychologically safe learning environments.

SGT signs MoU with Kabaddi Rao's Academy for sports physiotherapy

Harshit Tyagi

Gurugram: Strengthening its commitment to sports education and healthcare, SGT University signed a Memorandum of Understanding (MoU) on July 25 between its School of Physiotherapy and Kabaddi Rao's Academy.

The collaboration aims to bridge academic learning with practical sports experience. The partnership focuses on key areas including sports physiotherapy,

athlete performance enhancement, injury prevention, rehabilitation, research, clinical exposure, and academic exchange. By combining the expertise of physiotherapy professionals with the practical demands of competitive sports, the initiative seeks to provide students with meaningful, real-world learning experiences and strengthen the quality of sports healthcare.

Dr. Sayantan receives honour for research

Remaining Part of Page 1

in one of the most advanced domains of theoretical physics. His achievement adds to the university's growing legacy of promoting high-quality research and encouraging faculty members to advance knowledge across disciplines. Congratulating Dr. Choudhury on this accomplishment, university officials described the honour as a proud moment for the institution and a reflection of SGT University's strong emphasis on research, innovation, and academic excellence. They noted that such recognitions inspire both students and researchers to pursue scientific inquiry with dedication and curiosity.

National Excellence Award for School of Nursing

by the Indian Chamber of Commerce (ICC) in association with the Indian Nursing Council (INC) and the Consortium of Accredited Healthcare Organisations (CAHO). The recognition reflects the School of Nursing's sustained commitment to academic excellence, quality clinical training, and the development of

skilled healthcare professionals equipped to meet the evolving demands of the healthcare sector. The achievement is a testament to the leadership of Dr. Sunil Kumar Dular, Dean, School of Nursing, and the collective dedication of the faculty members, students, clinical partners, and the entire SGT University community. Their continued efforts have played a vital role in maintaining high

academic standards while fostering an environment that promotes innovation, professional competence, and compassionate patient care. Expressing gratitude for the honour, university officials described the award as both a recognition of the institution's ongoing efforts and an inspiration to continue raising benchmarks in nursing education and training.

Pharmacy students secure placements at Kquality Pharma

Remaining Part of Page 1

Congratulating the students, university officials described the placements as a testament to the dedication of the students, the guidance of the faculty, and the institution's commitment to

delivering quality education with strong industry exposure. They noted that such achievements reinforce the university's focus on producing competent professionals who are ready to contribute from day one.

Faculty of Dental Sciences ranked...

Remaining Part of Page 1

With a strong focus on interdisciplinary collaboration, cutting-edge research, and community oral healthcare, the faculty continues to drive innovation while contributing to the advancement of dental education and patient care. University officials stated that the recognition serves as an encouragement to continue raising academic and clinical standards while creating an environment that nurtures innovation, research, and professional excellence. Committed to holistic education, the Faculty of Dental Sciences remains dedicated to developing competent, compassionate, and socially responsible.

Sweet Splash: Over 100 varieties featured at Mango Festival 2026

Gurugram: The Faculty of Agricultural Sciences at SGT University successfully organised the Mango Festival 2026 on July 7, celebrating the "King of Fruits" through a vibrant blend of agriculture, culture, innovation, and community engagement.

The festival was organised through the collective efforts of Dr. Rajesh Mor, Dr. Om Prakash Singh Khola, and Dr. Rajendra Kumar Yadav, along with the faculty members and students of the Faculty of Agricultural Sciences.

The event was conducted under the guidance of Dr. Pooja Pant, Dean, Faculty of Agricultural Sciences, SGT University. The Chief Guest, Mr. Rami Qtaishat, Diplomat from Sudan and Assistant Secretary General of the African-Asian Rural Development Organisation (AARDO), highlighted the importance of agricultural development, rural prosperity, and preserving agricultural heritage. He appreciated the university's

efforts in promoting agricultural awareness, innovation, and sustainable development through such initiatives.

Speaking on the occasion, Dr. Pooja Pant, Dean, Faculty of Agricultural Sciences, said the festival aims to connect students with agricultural diversity, horticultural crops, and emerging agricultural innovations.

She congratulated the faculty members, students, and the entire organising team for making the event a grand success. A major attraction of the festival was an exhibition featuring more than 100 varieties of mangoes, giving visitors an opportunity to explore the remarkable diversity of India's favourite fruit.

Young researchers honoured for innovative projects

Sonia Bhat

Gurugram: Reinforcing its commitment to research, innovation, and academic excellence, the Scholars' Council of SGT University organised a felicitation ceremony on July 29 to honour the outstanding winners of Scholars' Projects 2025-26.

The event celebrated students whose research & innovative ideas demonstrated excellence in addressing real-world challenges across a wide range of disciplines. The ceremony was graced by Mr. Sumit Mahajan, Chartered Accountant, Startup Advisor and Financial Consultant, and Ms. Shivani Kabu, AI Technology Leader and Chief Data Scientist at IBM.

Through their inspiring addresses, the distinguished guests encouraged students to embrace innovation, leverage emerging technologies, and adopt interdisciplinary approaches to

solving complex challenges. Students from both Medical and Non-Medical Sciences showcased research projects that reflected creativity, analytical thinking, and a strong commitment to developing practical solutions with meaningful societal impact. Their work highlighted the university's focus on transforming academic knowledge into research-driven innovation.

While the winners were felicitated for their exceptional achievements, the university also acknowledged the dedication, curiosity, and perseverance of every participant. Faculty members commended the students for their enthusiasm towards research and emphasised that the spirit of inquiry and the learning journey are as valuable as the final outcomes.

CSIF honours summer interns for excellence in research & scientific training

Gurugram: The Central Scientific Instrumentation Facility (CSIF), under the aegis of the Research & Development Cell, SGT University, organised a Certificate Distribution Ceremony on July 22 to mark the successful completion of the Summer Internship Programme - June 2026 Batch.

The event celebrated the achievements of aspiring researchers and young scholars who completed intensive hands-on training in advanced scientific disciplines.

The ceremony recognised participants who successfully completed specialised internship modules in Bioinformatics, Cell Culture, and Analytical Techniques.

Certificates were awarded in appreciation of the interns' dedication, commitment, and active participation throughout the programme.

Designed to bridge the gap between classroom learning and laboratory research, the Summer Internship Programme provided participants with practical exposure to modern scientific techniques, advanced instrumentation, and standard laboratory practices.

Throughout the internship, students gained valuable experience in operating sophisticated equipment, adhering to research protocols, and developing technical competencies essential to scientific research and innovation.

Spiritual fervour marks Jagannath Rath Yatra at SGTU campus

Ashish John

Gurugram: SGT University witnessed an atmosphere of devotion, spirituality, and togetherness as the Students' Welfare Centre, in association with ISKCON, organised the Jagannath Rath Yatra on July 21. The celebration brought together students, faculty members, and staff in a vibrant display of faith, cultural

heritage, and community spirit. The programme commenced at the SGT Shiv Temple with the traditional lighting of the ceremonial lamp, followed by soulful bhajans and kirtans that filled the campus with devotional fervour.

The sacred idols of Lord Jagannath, Balabhadra, and Subhadra were ceremoniously placed on a beautifully decorated Rath, followed by an auspicious aarti before the grand procession began. The Rath Yatra traversed various locations across the university campus, including Block A, Block E, the Boys' Hostel, SGT Hospital, Annapurna Mess, the Girls' Hostel, and Block D.

At every stop, students, faculty members, staff, and visitors

gathered to welcome the Rath, offer prayers, and participate in the celebrations with great enthusiasm. The campus echoed with devotional chants, music, and dance as devotees showered marigold petals along the procession route, creating a vibrant and spiritually uplifting atmosphere.

The celebration reflected the spirit

of unity and inclusivity, bringing together members of the university community from diverse backgrounds in a shared expression of faith and devotion.

The procession concluded with the distribution of Prasad, leaving participants with a deep sense of peace, gratitude, and spiritual fulfilment.

Pharmacy students begin promising careers across diverse industries

Gurugram: Students of the SGT College of Pharmacy have achieved another significant milestone by securing promising career opportunities across the healthcare, consulting, and media sectors.

The accomplishments of Rahul, Hrithik Venkatesh, and Aditya reflect the university's commitment to nurturing skilled professionals equipped to excel in diverse industries. Rahul has been appointed as a Section Officer at the Airport Health Organisation, Cochin.

SGTU commemorates Kargil Vijay Diwas with patriotic fervour

Gurugram: SGT University observed Kargil Vijay Diwas 2026 with pride, gratitude, and a deep sense of patriotism through a special commemorative programme organised by the Students' Welfare Centre.

The event paid tribute to the courage, sacrifice, and unwavering dedication of the soldiers who safeguarded the nation's sovereignty during the Kargil War. The ceremony commenced with the traditional lighting of the ceremonial lamp in the presence of Colonel Sameer Kaushik, Commanding Officer, and Dr. Ankita Menon, Miss World International 2025, who attended as distinguished

guests. They were joined by Prof. Basuthkar Jagadeeshwar Rao, Officiating Vice-Chancellor, and Prof. (Dr.) Vijay Sharma, Dean of Students' Welfare, along with faculty members, students, and university officials. Addressing the gathering, Colonel Sameer Kaushik and Dr. Ankita Menon highlighted the importance of remembering the sacrifices of India's brave soldiers and preserving the values they fought to protect.

NRSE showcases excellence in nursing to Italian delegation

Gurugram: The National Reference Simulation Centre (NRSC) at SGT University welcomed a distinguished delegation from Italy, led by Prof. Francesco Saverio Mennini from the Ministry of Health, Italy, on July 13.

Organised in collaboration with the Embassy of Italy, New Delhi, and the Indian Nursing Council (INC), the visit highlighted the growing role of simulation-based education in strengthening nursing competencies and enhancing the global mobility of Indian nursing professionals.

Dental postgraduates trained in advanced life support

Gurugram: Strengthening clinical during dental procedures, the preparedness beyond routine dental training focused on preparing practice, the Faculty of Dental students to respond with confidence Sciences at SGT University through expert-led demonstrations, organised a nine-day Advanced simulation-based learning, and Cardiovascular Life Support extensive hands-on practice.
